

Cold Storage Experts

HELPING CONVENIENCE STORES MANAGE COLD

WALK-IN COOLERS & FREEZERS

KPS Global sets the standard for quality in the convenience store market with walk-in coolers and freezers available in a variety of options and custom built to your specifications.

Our experienced, in-house design and engineering teams give you access to knowledgeable resources to ensure your job-specific needs are met.

IS WHAT WE KNOW.
IT'S WHAT WE DO.

BEER CAVES

Beer caves are essentially specialized walk-in coolers that allow employees to easily merchandise and restock ice-cold drinks.

KPS Global designs and creates custom solutions for beer caves to help stores enhance their customers' shopping experience.

AFTERMARKET PARTS

Wear and tear on a walk-in is expected. If you find yourself in need of a replacement part, KPS Global has you covered!

We offer a wide variety of replacement equipment and aftermarket parts, including doors and door parts, strip curtains, batten strips, liner panels and more.

LOCATIONS

Our products are made in the USA and ship from one of our five strategically-located manufacturing facilities for quick and cost-efficient delivery.
